

Home & Garden Report Bundle

Published: Continuous / Number of Pages: 0 / Price: £3,750.00

Introduction and Overview

The **home and garden market report bundle** offers companies with a wider interest across a number of product sectors within the home improvement industry, the opportunity to subscribe to all published reports in this area for a fraction of the cost of buying each report individually. Market reports within this bundle cover the home decor, furniture, garden and bathroom product sectors, as well as relevant product and distribution reports, and the bundles is particularly suited to retailers.

Some of the benefits of subscribing to this package include:

- Substantial discount on individual reports - pay less than £150 per report!
- All new and updated reports published within the Home and Garden range free of charge within the 12 month subscription period.
- New and revised reports made available online through our web-based content delivery system, as they are published.
- 3-user license for all reports, enabling the distribution throughout the company.
- Access to our report authors and editors to discuss market issues.

Ordering this bundle

The subscription price includes a 3-user license allowing subscribers to circulate report content within their organisation. For only £3,750 (plus VAT if applicable), subscribers are given access to over 30 individual reports, including any updates, for 12 months, offering unbeatable value.

To sign up for this bundle, use the order form on this page, contact us on 01242 235724 or email us on sales@amaresearch.co.uk. If you are interested in buying more than one bundle, please contact us directly as we may be able to offer a discount.

About AMA Research

Established in 1989, AMA Research is widely recognised as the leading specialist provider of market research to the UK building and construction industries. AMA's research and analysis goes beyond the more commonly available range of statistical and company information to provide expert, informed commentary and in-depth market analysis, making the reports a valuable and relevant resource for understanding the UK's construction and associated markets.

We offer the following:

- **Consultancy and bespoke research projects**
- **Published research reports** - 150+ high quality, detailed research reviews covering a wide range of environmental, building and construction products.

Our extensive experience and in-house research database enables us to offer specialised and flexible bespoke research services, as well as giving excellent value for money. Our experienced in-house team of researchers are experts in their fields and adept in conducting original and relevant research for reports or bespoke projects, and key decision makers across the building and construction industries, both in the UK and abroad, frequently use our high-quality reports as their primary source of market data.
